Way Too Much Drama (A Keysha And Friends Novel)

Synopsis

The toughest lessons aren't always taught in the classroom; Maya is ready to put the fabulous back into her life; and that means getting her manipulative cousin, Viviana, out of it. Bad enough that Viviana is living under the same roof and tried to claim Maya's boyfriend, Misalo, for herself. Now she's going to Maya's high school and she's part of the quiz team competing on a TV show; alongside Maya, Keysha and Misalo. Maya has no sympathy when Viviana finally starts to feel the pressure of fitting in to her new world. That's until her cousin does something drastic; and dangerous. Maybe Viviana isn't as tough as everyone thought. Maya could be the only person who can help bring her back safely. Question is; does she want to?

Customer Reviews

"Sewell addresses some major social issues that confront young adults in a way that is both satisfying and nonthreatening. Readers are treated to nicely veiled and fully integrated lessons on the dangers of unprotected sex, teen pregnancy, drug addiction, and alcoholism, all woven into a story of romance, adventure, and yes, a little mystery."-School Library Journal on MYSELF AND I

Earl Sewell attended Columbia College in Chicago where he studied screen and fiction writing. Earl's YA novels in his Keysha and Friends series have made him a librarian and teen fan favorite. He currently resides in South Holland, Illinois, and is working on his next novel.

Good read lots of teen drama mixed with a bit of street life. Perfect coming of age drama

I believe that the Maya series are very entertaining and much better than the Kenosha series. I love how the book ending giving the girls a relationship that they had only at the beginning of the book when they were twelve

i started off by reading the Keysha series and progressed to the Mya series i love these series and i hope they never end.

I liked the very end of this book when Maya and civilians put a end to their beef :)

Not having read the earlier books didn't help. The girls' lives are chaotic but they attend school and take tests. They have to deal with parents being hooked on prescription drugs or in jail, with boys who fight and fancy one girl but try to sleep with another, with physical danger from a foster father and from drug dealers. Not for younger readers, but young adults may appreciate it.
