Customer Reviews

Ravi has a way of explaining things and pointing our truth that is always refreshing and exciting. That continues to be true of this book as he highlights our focus on Jesus as the source of wonder. He details out the start of wonder with truth grace and hope which are all found in Christ. But the journey Ravi takes you with wonder inducing words and stories is inspiring. Then in his usual style he breaks things into nice size logical bites and nourishes your soul with an understanding of the source of "wonder".

Excellent book, encourages one to view all the beauty of this world with "eyes wide open" and childlike innocence & curiosity . To "Stop & smell the roses," as it were-Appreciating this world that God gave us & Gratitude for all the blessings & opportunities He bestowed on us as well.An enjoyable enlightening read.

Ravi Zaharias is wonderful and the book is to however it did come late.

If you have any questions about the world you live in and why you live here look no further than Ravi

Zacharias and his team.

Such a good read

Ravi Zacharias is a modern day biblical scholar. His insight into today's satanical issues are clearly defined in his writings. I will usually purchase anything that is authored by him.

Ravi Zacharias is an absolutely amazing author! There is no way I can describe this book other than you MUST read it and all of his books. They are easy to read, yet inspire lots of thought on the readers part. Purchase these books, read them, and then pass the word to everyone you know!

This book is filled with wisdom and truth. A clear road map to help you retrace where one may have lost the wonder of God and also how to Recapture it!
