Viva La Cleanse: How I Got Healthy, Lost Weight, And Found My Beauty

Synopsis

For the first half of her life, La Belle was an obese, depressed, sad woman with acne on her face. She was unhappily married and her sexual expression was stifled by the shame and shadow of sexual trauma experienced in childhood. In 2000, she was diagnosed with a terminal disease and instead of seeing it as a death sentence, she saw it as an opportunity for transformation. She healed herself naturally by following a strict protocol of intermittent fasting, a high carb raw vegan diet and spiritual healing. She lost over 50 lbs and was photographed as a wellness model. Today, La Belle is a unique coach helping men and women to become Alpha Lovers and Alpha Leaders. Among her private clients are Hollywood celebrities, wives of billionaires, as well as CEOs of Fortune 500 companies. In her book, *La Belle Intelligence, the Health and Beauty Guru*, is sharing her signature program 'VIVA LA CLEANSE. Health & Beauty Detox.'
