Customer Reviews

Useful as either a study guide or office manual, this text provides basic information on situations commonly encountered in practice. This edition features a glossary of relevant ophthalmic terminology.

AOA was developed by the AOA Paraoptometric Section, American Optometric Association, St. Louis, Missouri; Mary Jameson, is Chair, Paraoptometric Section, American Optometric Association, St. Louis, Missouri; The Eye Institute, Pennsylvania College of Optometry, Philadelphia, USA

Uh, i passed..... So simple even an OD can pass the cert;). Needs an update so someone please help me get this to explain EHR, HIPAA and VT.

Even if you're not taking any of the certification tests, this book is a must have. I covers EVERYTHING, in a really easy to understand format. It covers all the topics that are on the CPO, CPOA tests, (I haven't taken the CPOT yet) I highly reccomend this one.
