# Duck & Goose, It's Time For Christmas! (Oversized Board Book)

## Synopsis

Celebrate Christmas with Duck & Goose in this large-format board book! New York Times bestselling author and illustrator Tad Hills brings our favorite feathered friends out to celebrate Christmas in this sturdy, large-sized board book. Goose wants to make snow angels and go sledding— but Duck knows it's time for Christmas! Preschoolers won't be able to resist this board book filled with Christmas cheer. The large size makes this a perfect book for sharing during a storytime or lap time. "Duck and Goose have taken their places alongside Frog and Toad and George and Martha as fine examples of friendship, curiosity and problem-solving." — Kirkus Reviews "Charming, funny, simple, and surprising. . . ." Hills is master of the light comic touch. — The Boston Globe

Grade Level: Preschool and up

## Customer Reviews

PreS-K  The adorable Duck and Goose are back. Decked out in brightly colored wooly caps, the intrepid Goose tries his hand (well, wing) at all kinds of winter activities— catching snowflakes, sledding, making snow angels and elaborate snow geese and snow forts— while Duck tries to keep him focused on what really matters. Because, of course, it is really time for Christmas, which is represented by the birds decorating a tree. It seems a little sad that Duck is such a killjoy, stopping Goose from enjoying his winter fun, but that's a minor quibble.

And the cover glitters! Cheery holiday fare for pre-readers. Mara Alpert, Los Angeles Public Library

Tad Hills is the author and illustrator of the ALA Notable Book Duck & Goose--called "expressive and adorable" in a starred review from Kirkus Reviews--and Duck, Duck, Goose, both New York Times bestsellers. His Duck & Goose board books include the ALA Notable Book, What's Up Duck?, and the Indie bestseller, Duck & Goose Find a Pumpkin. He is also the author-illustrator of How Rocket Learned to Read, a New York Times bestseller and a Parents' Choice Award Winner.

First off the cover of this book is beautiful. But I bought it for my almost 2 year old because he loves the other duck and goose books. This one- not so much. It's very boring- goose is doing things like catching snow flakes/skating etc and duck keeps telling him it's not time for that- eventually duck says it IS time for Christmas. Also, it sounds weird but the book seems very negative- each page is about what 'it's not time for'.

Not the best Duck and Goose book. I got this for my toddler for Christmas. He really likes the other Duck and Goose books we have and kept asking for this one. It doesn't really make sense. It keeps saying things like, "It's not time for snow angels. It's not time for snowmen, etc" then the end is "It's time for Christmas." All the things it's "not time for" are things that make Christmas so much fun. He likes the pictures a lot but I would not recommend this one.

My kids love this book. It's a little hard for them to carry around since it is such a big book, but they love it.

very VERY beautiful and easy to read for first readers. SO well done.

The book itself is lovely and my five year old really enjoys reading this to her baby brother. The colors, glittery cover and drawings put you in the mood for "Jingle Bells" and peppermint hot chocolate. The condition of the book was a little lacking though. It was nice, but not excellent. There were some red marker markings on the page ends and some scuffing there as well. It was a great price, but I wish that it hadn't had the red marking.

The Duck & Goose books by Tad Hills are my son's FAVORITE! I am a Kindergarten teacher and they are the perfect books for little ones. Beautiful illustrations, wonderful stories, and just the right amount of words. Duck & Goose, It's Time for Christmas is a wonderful Christmas story that will be read in my house for many many years.

This book is huge! It's fantastic :) it's all duck talking throughout the book. It works great for our family because our "duck" voice is a silly voice. This will be the gift he opens Christmas eve. :)

Cute book but doesn't explain anything about what Christmas is. A bit disappointing.
