The Chicago Tribune Book Of The Chicago Cubs: A Decade-By-Decade History

Synopsis

The Chicago Tribune Book of the Chicago Cubs is a decade-by-decade look at one of baseball's most beloved if hard-luck teams, starting with the franchise's beginnings in 1876 as the Chicago White Stockings and ending with the triumphant 2016 World Series championship. For more than a century, the Chicago Tribune has documented every Cubs season through original reporting, photography, and box scores. For the first time, this mountain of Cubs history has been mined and curated by the paper's sports department into a single one-of-a-kind volume. Each era in Cubs history includes its own timeline, profiles of key players and coaches, and feature stories that highlight it all, from the heavy hitters to the no-hitters to the one-hit wonders. And of course, you can't talk about the Cubs without talking about Wrigley Field. In this book, readers will find a complete history of that most sacred of American stadiums, where Hack Wilson batted in 191 runs—still the major-league record—in 1930, where Sammy Sosa earned the moniker "Slammin' Sammy," and where fans congregated, even when the team was on the road, throughout its scintillating championship run. The award-winning journalists, photographers, and editors of the Chicago Tribune have produced a comprehensive collector's item that every Cubs fan will love.

Customer Reviews

The Chicago Tribune, founded in 1847, is the flagship newspaper of the Chicago Tribune Media Group. Its staff comprises dedicated, award-winning journalists who have authored many

best-selling books.

This book is a beautiful tribute to the Chicago Cubs. It is jam packed with beautiful photos (both black & white and color) and includes everything there is to know about the Cubs from past to present, including the World Series! I am a native Chicagoan and lifelong Cubs fan. I also got one for my dad, who has loved the Cubs even longer (he is 88). A lot of new Cubs books have come out since the championship and this one is the winner.

Great book for any Cubs fan! Lots of history and great pictures.

I have several books about the history of the CUBS, and this one is the best, not only because it includes the 2016 WORLD SERIES. From the first stars of the team until RIZZO and BRYANT, you get to know all the majors players in the history of the team. Well organized chronologically. You have the important facts and anecdotes all in one marvelous book filled with black and white and color pictures. THE CHICAGO TRIBUNE deserves credit for a job well done. Even non CUBS fan can enjoy it.

Great history of the Chicago Cubs, and for this life-long fan it was great to renew the memories of the 1960-70s again. Well worth the trip down memory and to celebrate the long-awaited World Series win.

I like baseball history, so this book was perfect for me. I am re-energized after the Cubs season last year. It was a great value for the money. The Chicago Tribune did a fantastic job putting this book together

Great book for all Cubs fans.

HAPPY

excellent
