Konami Kanata was born on July 3, 1958, in Nagano, Japan. A veteran manga artist Konami made her professional debut in 1982 with the serialized comic Petit Cat Jam-Jam for Kodansha's seminal shoujo manga magazine NakaYoshi. The daughter of an elementary school teacher, most of Konami's stories are for readers of all ages making her one of the most accessible artists in recent history. In her nearly thirty year career, Konami has penned more than a dozen comic series, with the majority of them focusing on cats and pets. Konami is well regarded within the pet-manga community for her keen sense of cat ecology. Her ability to observe and render feline behavior has earned her respect from the Japanese manga community as a whole. While most of her properties were published for a younger female demographic, her most recent series Chi's Sweet Home is currently being published by Kodansha's Morning magazine, Japan's leading comic magazine for

adult readers. Proving that quality can be found even in the cutest of sources. Chi's Sweet Home will be Konami's first translated work.

I've almost bought the entire series for my younger brother - who's eleven. He loves them, the only book I can actually get him that he won't give me blank look about. These are great as continuous gifts to a younger one who wants a heart-warming story that they can cuddle up with.

Super cute series - our 10 year old loves these books - collection presents an EXCELLENT value over buying the individual books and this particular seller offered an EXCELLENT price - about half of the msrp price.

Do not let "angry" Chi keep you from buying Vol. 3! Chi's adventures are just as fun as they are in Vols. 1 and 2! This sweet little mischief maker is still getting into trouble and discovering new friends!

I pre-ordered and received it on time yesterday with lower price. We have 1st and 2nd book and I added this new book to them. It's for my 7yr daughter but 10yr son likes it too! This Chi's story is adorable and fun as always! We don't have a cat but it would be more fun if you have a cat. :)

My granddaughters is 8 and loves to read these.

My 9 year old son devoured this book

I had all 4 volumes. This is a must have for family reading. Kids definitely love it. It compounds many small short stories around Chi's life. Each story is sweet by itself. I read a few stories for relaxing during break & I can stop reading anytime to return to my work.

More love for Chi. The Chi series was for my daughter, but I love it just as much as she does! More!
