Customer Reviews

Very nice, with a Wright quotation on each month's picture. Some of the quotes are not phrased to come as trippingly off the tongue as they could be, but that may be the fault of the speaker, and not the calendar. Wright was noted for changing the landscape of architecture, but perhaps not being as perfectly pithy as Mark Twain! But close!

high quality calendar

Nice choice of FLW buildings for this quality calendar, though the individual shots are fairly unimaginative in helping to understand the building or to convey particularly interesting features. I get a FLW calendar most years and this is perhaps my least favorite.

Photos were ok but nothing special . . . pretty disappointing compared to other FLW calendars I've had

Just as expected, great buy.

Anything Mr. Wright designed was/is beautiful! I've had this calendar on my wall for years.

Beautiful photos. One of the last FLW calendars made. A great item.

This is just what I was after. Looks great in the office
