Time Crashers Viking Attack A time machine, three friends, and a dad who are lost in the past. That's TIME CRASHERS, an action series for boys 8 to 12. This is a great book because it talks about God and choosing your right path. I liked the part where Jake, an all-star athlete, throws a rock at a Viking to save a girl. The reason I chose this rating is because it was a really great book and I would recommend it to kids my age, 10, and my teacher would like it too. Kids would like it because it has adventure in it and it is fun to choose the adventure - the path that either saves the heroes or dooms the heroes. Can't wait to read the second one...a Pompeii adventure.

My 9yr old son has read this book over 15 times already since he got it for Christmas! He can't wait for the next book in the series! This has truly been his favorite book of all time! He loves the "choose your own ending" part of this series. Awaiting the rest of the books to come ~ so hard to do! Great series~ Great author!
