Mike Lowery, creator of the Doodle Adventures® series and The Kid's Awesome Activity Calendar, is an illustrator whose work appears in everything from greeting cards to children's books. He lives with his wife and daughter in Atlanta, Georgia.

Granted we have not yet 'used' the calendar since it's not yet 2015, my son and I still love it. He's looked ahead to see what activities he will get to do for each month and he is very excited to start. He loves that it comes with all the stickers. I really hope this calendar is made each year because I will want to buy one for 2016 :)

Someone stated there wasn't enough stickers and I thought 'with 400 stickers, why not?' Well, I found out. There were 5 or 6 birthday stickers. They should include a Mom BD, Dad BD, Grandmothers, Grandfathers, sister, brother... well, they don't have to list individual members, but more birthday stickers are needed. Lots and lots of stickers for Practice, Game, Camp, Dance Class, Music Lessons, Recital, etc...

This is the best calendar! It has fun little activities with accompanying stickers for each month and large enough squares to write multiple things on each day. My 5 year-old loves doing the activities at the beginning of each page which carries the added benefit of helping her learn the months of the year. It also has a small pocket in the back to hold all of the stickers and a reward chart.

My 6 year old loves he's new calendar... This calendar teaches him all the coming holidays, the dates months and keeps him on track like he's school vacations etc..it also comes with this amazing stickers so he can put on the dates when there's a birthday coming a holiday.. It's an awesome calendar

Fun book for three year old. Lots of entertainment. Great pics.

My 4 year old daughter loves her calendar! Each month has new things to color and stickers, plus there are stickers for holidays and special occasions. I ordered it because she kept asking when holidays are, when school starts, etc. and now I can show her and we mark it together.

My five year old loves this! It's helping him learn his days of the week.

Okay, this calendar rox. It is now my fav calendar. Nice big spaces to write in and creative fun with stickers. Dynamic illustrations.
