The Maddie Diaries: A Memoir

Synopsis

Teen dance prodigy, breakout Dance Moms star, and judge on So You Think You Can Dance: The Next Generation presents her uplifting coming-of-age memoir about following her dreams and working hard to achieve success in both the dance world and in life. Maddie Ziegler had hoped to become a star - she just didn't know how soon that day would come. At just eight years old, she was cast on Lifetime's hit reality show Dance Moms and quickly won the hearts of fans everywhere with her natural talent and determination. Soon she was catching eyes all over - including those of pop superstar Sia, who handpicked her to star in the incredibly popular music video "Chandelier". The rest, as they say, was history. In this inspirational memoir, Maddie explains the hard work she puts into her rise to stardom and how she keeps her balance along the way - starring in music videos, going on tour, and becoming an actress in The Book of Henry with Naomi Watts and Jacob Tremblay. She also answers her fans' burning questions with wise advice she's learned on her journey. With honesty, charm, and humor, Maddie offers her unique perspective on making her way in the world as a young teenager, reflecting on the lessons she's learned - and preparing for the exciting road ahead.

Customer Reviews

I am not going to lie, I purchased this for my wife and two girls to read. They all like it, I just can't force myself to do it. If you are a dad or husband - buy this for the ladies in your life. They'll love it!

Came on time in great condition and what a great informative and fast read. Very enjoyable.

My granddaughter loved the book.

Awesome

My daughter loves dancing and Maddie is her favorite dancer! We've enjoyed reading this together and seeing all the personal pictures!

As a Dance Moms fan I really enjoyed this. Maddie has so much going for her and I'm excited to see what the future holds for her. And I'll definitely be going to see Book of Henry when it comes out. This book is clearly geared towards younger kids but I still liked it and think Maddie will only grow as a writer. Well done!
