Funny coloring book. Good quality paper. Bonus pages included. (duplicates) Some of the images

are pretty humorous. Kids like it.

This one has a farting donkey... Which I really really wanted!

Super cute! Really funny!

So Funny!!!!

Very funny!!!!!!

I received this Farting animals coloring book as a gift and I'm so excited. I like the fact that the designs contains funniest fart animals in the world and they are not too intricate, they are perfect for kids and grownup alike who can't resist the humor in a good fart. This Coloring book will make a great White Elephant gift this season. I plan on making more order as gift. Very Hilarious and Highly Recommended.

So freaking funny!. I usually shy away from this kind of humor. But everybody, inc my mom! got a kick out of this book. Most of the pages are like a normal pictures you would find in a coloring book, except these have gas clouds coming out their butts. I only bought one and wished I would have bought three.

The pictures are funny and easy for both kids and adults to color. I like that the pages are single sided. My only problems are that the pages are not perforated therefore difficult to tear out, and the sheets are a little thinner than I'd prefer.
