Synopsis

Bought for my 7-year old grandson who is very bright. He loves the challenging puzzles but finds them quickly. Had to buy others to continue to challenge him, good mental exercises.

bought this for my 8 year old grandson as he loves word search

Fun and perfect book!

Great sports words.

We bought this for our nine year old sports enthusiast grandson who also participates in age related sports. The book is filled with a huge variety of sports, he loves it.

Purchased for mom who suffers with Alzheimer's. She was able to remember working her puzzles throughout the book. It kept her brain working. However she would barely put it down and was working them again within minutes. It was as though she was hooked on circling the words. I almost forgot to mention that she loved the cheat sheet!

Fun sports related puzzles for my son. He is enjoying them and doesn't find them too difficult. He is 13 years old.

Very small writing for a kid
