Customer Reviews

We are especially pleased to offer Ruth Gilmore's collections of fresh and easy-to-use children's sermons. The author has tested each of the sermons for appeal and clarity before a real audience of kids. And the CD-ROM included inside the back cover allows users to adapt and personalize the sermons for their unique situation. This book is part of a successful 4-book series by Gilmore: three are lectionary-based, and this collection is calendar-based.

Ruth Gilmore is Director of Children's Ministries at the Lutheran Church of the Good Shepherd in Sacramento, California; she is also a wife, and the mother of three children. She has tested each of her sermons on an enthusiastic audience of children and adults.

I give the children's sermon each Sunday in my church. This book is full of ideas for sermons that are easy to follow and that the children really enjoy. Great resource for anyone working with children.

Purchased for my StepMother to use and she was very pleased and said it was a great little book for her age group 2-7 years old.

Full of great ideas and examples for children's sermons.

I bought these books to use in case the Good News books didn't come up with my exact lesson for the Sunday classes. I have used them for references, but they aren't exactly what I was used to I wasn't as excited as I was about other sermon books, but I wouldn't part with it.
