Moon Oregon Camping: The Complete Guide To Tent And RV Camping (Moon Outdoors)

Synopsis

Moon Travel Guides: Your Adventure Starts Here Whether you're headed on an overnighter or a month-long expedition, Oregon is filled with campsites that provide the perfect jumping-off point for your adventure. Grab your sleeping bag, pack the car, and discover the best spots to pitch your tent with **Moon Oregon Camping**. Inside **Moon Oregon Camping** you'll find:

- A Campsite for Everyone:** A variety of campgrounds and RV parks (from family-friendly car camping to secluded hike-ins), marked with features such as dog-friendly or wheelchair accessible, with advice on nearby recreation
- Coverage of the Whole State:** **Moon Oregon Camping** covers Portland and the Willamette Valley, the Southern Cascades, the Columbia River Gorge and Mount Hood, Northeastern and Southeastern Oregon, and the Oregon Coast
- Explore the Trails:** All campsites are ranked on a scenic scale, and marked with highlights like waterfalls, beaches, historic sites, wildlife, and wildflowers
- Maps and Directions:** Easy-to-use maps and detailed driving directions for each campground
- Trusted Advice:** Expert outdoorsman Tom Stienstra is always on the move, having travelled more than a million miles across Washington, Oregon, and California over the past 25 years
- Tips and Tools:** Essentials like equipment, food and cooking, recreation, first aid, and insect protection, as well as background information on the climate, landscape, and history of the campsites

Whether you're a veteran or camping for the first time, Moon's comprehensive coverage and trusted advice will have you ready to head out on your next adventure. Camping beyond Oregon? Try **Moon Pacific Northwest Camping**. Sticking to the RV? Try **Moon West Coast RV Camping**.

Customer Reviews

Rather hard to use: the driving instructions provided are often inaccurate and/or ambiguous. Many roads are referred to by County Road number yet on-the-ground the same roads have local names that are not provided in the directions. Most instructions are written as for approach from a particular direction (say, from the east), so if you are coming from another (say, the west), the instructions are of little use.

Great book in the grand tradition of Stienstra's California Camping which my family treasured through many editions over the years. Thoroughly organized, very easy to browse or locate items of interest, jam packed with useful reference information that can otherwise be challenging to find (phone numbers, who offers reservations, etc.) Excellent maps. Great for planning, browsing, armchair imagining. Highly recommended. The single one-star review showing at the time I'm writing this contains very positive comments and the one-star is obviously an error!

Having fun with this. Keeping it in our motorhome for future references. Very informative.

This is a wonderful book to get lost in! This guide has great descriptions for all types of camping and personal insight for those they have visited. This would make a wonderful gift for those who like to plan trips to ensure they get the most out of their travels. I would buy it again.

I have the California Camping and depend on it. Great way to plan, pull into an area or region and find just what I am looking for, a campground without Search Engine Optimization!

This book is a real must for the Oregon camper. It gives so much advice and shows the campgrounds so you don't need to get a case of the jitters hoping there is a campground just around the corner when it is getting late.
