Customer Reviews

Eric Shi graduated from College of Podiatric Medicine at Western University of Health Sciences in Pomona, California and is currently a Foot and Ankle Surgery Resident at Kaiser Permanente Santa Clara

Nice review before boards. Has some very good points. I recommend it to pod students.

Not worth the amount. Looks like someone copy and pasted some powerpoint slides onto a binded book. Lots of blank real estate on the page itself and printed in extremely small font... Better than nothing i guess...

Good book
