Voices Of Freedom: A Documentary History (Fourth Edition) (Vol. 2)

Synopsis

The best-selling companion reader to the Give Me Liberty! family of books. A rich collection of documentary voices addressing a central theme in American history—freedom. The documents in this collection show that although in some ways universal, the idea of freedom has never been a fixed, timeless concept with a single, unchanging definition. In fact, the history of the United States is in part a story of debates and struggles over freedom. Crises like the American Revolution, the Civil War, and the Cold War have permanently transformed the meaning of freedom. So too have demands by various groups of Americans for greater freedom. The primary-source selections in this book include presidential proclamations and letters by runaway slaves, famous court cases and obscure manifestos, prevailing ideas and dissenting ones. The voices range from Las Casas and Pontiac through Jefferson, Thoreau, Douglass, and Lincoln to Stanton, Sanger, Garvey, Luce, Byrd, and Obama. The Fourth Edition of Voices of Freedom includes new documents that better reflect the religious aspects of American history. It remains a comprehensive collection that offers a diverse gathering of authors and a wide breadth of opinion. Fully compiled and edited by Eric Foner, the collection includes headnotes and critical questions for each document. The book is organized as a companion to the textbook Give Me Liberty! An American History, Fourth Edition, by Eric Foner, and it can also be used with other texts in the American history survey and other courses.

Book Information

Paperback: 384 pages

Publisher: W. W. Norton & Company; 4 edition (September 26, 2013)

Language: English

ISBN-10: 0393922928

ISBN-13: 978-0393922929

Customer Reviews

Eric Foner is the preeminent historian of his generation, highly respected by historians of every stripe – whether they specialize in political history or social history. His books have won the top awards in the profession, and he has been president of both major history organizations: the American Historical Association and the Organization of American Historians. He has worked on every detail of *Give Me Liberty!*, which displays all of his trademark strengths as a scholar, teacher, and writer. A specialist on the Civil War/Reconstruction period, he regularly teaches the nineteenth-century survey at Columbia University, where he is DeWitt Clinton Professor of History. In 2011, Foner's *The Fiery Trial: Abraham Lincoln and American Slavery* won the Pulitzer Prize in History, the Bancroft Prize, and the Lincoln Prize.

This was required reading for my American History class at college, but I have to say it was an easy to follow supplement to "Give Me Liberty!" by same author. I love to read but juggling two books for reading assignments for class has been a little tricky if you have to refer to this and Give Me Liberty! All in all, a very honest look at American History.

Great book, great read, but what I didn't notice was that halfway through the book, one of the chapters was printed twice and replaced with the following chapter (it might have been chapter 18 or 19). Missed the whole chapter for my class. Otherwise a good book. Just make sure to check the chapters when purchasing.

I bought this book for my college history class and for the price this is the best deal out there! I am sure of this because as a broke college student I try to find better deals but end up choosing this one because it was the best deal I could find.

I like this book, it is in good condition and I enjoy reading letters and speeches we didn't read about in high school.

This book is for a History II class, and has some interesting information.

This is a textbook for a class I'm taking, but it's one of the most interesting books I've read and it's a very easy read.

All Eric Foner books make great texts! I really enjoyed these!

written terribly. Good thing my instructor was interesting and we didn't use the books.
