Best Sellers Rank: #3,344,069 in Books (See Top 100 in Books) #88 inÃ Â Books > Crafts, Hobbies & Home > Antiques & Collectibles > Radios & Televisions

Customer Reviews

Over 500 full color photographs of older radios make this an appetizing guide for those in the radio collecting field. As a stand-alone reference guide or used in conjunction with the first volume, this will make the search for current values of collectible radios much simpler. Completely different content from the first volume makes this a wonderful addition to any antique reference library. 1994 VALUES -- Book Description

This volume, along with volume #1, is a must have for the radio collector. You'll refer to it very often to identify various sets.
