Day Of The Dead Activity Book

Synopsis

Day of the Dead or Día de Los Muertos is a vibrant fall holiday celebrated through the United States, Mexico and central America. In this award-winning activity book, readers explore an illustrated world illuminating the traditions and history of Day of the Dead through a series of mazes, puzzles and activities, using press out forms to create shrines and masks which can be decorated with the stickers included in the book, preparing readers young and old to celebrate this vibrant and increasingly popular holiday.

Karl Jones is an Associate Editor at Penguin Young Readers and has written numerous books for children, including a series of holiday-themed Activity Books honoring the traditions of Day of the Dead, Chinese New Year, Thanksgiving and Mardi Gras.

This is a one-time use book. I was expecting a collection of information and activities that I could copy for my class, but it is just an activity book for one person. It was kind of sparse for the money.

Very well done. Good quality, lots of educational and fun things to do. Suitable for ages 6-10

LOVE the art in this book! Fun activities for elementary students.

Fun and interesting. Fast delivery.

Fun book, lots of different things in book too make and do.

Very nice, used it in class to inspire projects for graphic design. Colorful, fun, 3D stuff to put together.

So well thought out! My son had so much fun exploring his cultural identity in this medium. Great sensory activity.

Very colorful. I loved this as an intro to Day of the Dead for my five year old. Fun activities.
