The Morrigan's Curse (Eighth Day)

Synopsis

In the third book of the series that VOYA recommends “for fans of Percy Jackson and Harry Potter, the war over the Eighth Day continues and there’s more at stake than ever before. The battle between Kin and Transitioners that’s been brewing for centuries has finally come to a head. The sinister Kin have captured Evangeline’s younger sister, Addie, a descendant of Merlin whose presence will allow them to reverse the Eighth Day Spell and free themselves. Addie doesn’t realize the full consequences of her cooperation. She’s been helping the Kin because they value the strength of her magic—something Evangeline never did. The feeling of power coursing through her veins is impossible to resist. Meanwhile, Riley, Evangeline, and Jax craft a plan to rescue Addie from her captors. But the Kin’s unstoppable magic, and a rebellious Addie, force Riley to reconsider if saving Addie is worth sacrificing everyone who lives in the seven-day week. Jax won’t let Evangeline’s sister be used as a pawn, so he risks it all in a secret mission of his own. With the Morrigan pushing both sides of the war toward annihilation, Addie must decide where her loyalties lie, while Jax, Riley, and Evangeline confront the possibility of losing Addie to save the world. Adventure, action, and magic collide in the latest installment of the series that School Library Journal called “fast paced and exciting.”

Book Information

Lexile Measure: 800 (What’s this?)

Series: Eighth Day (Book 3)

Paperback: 400 pages

Publisher: HarperCollins; Reprint edition (January 24, 2017)

Customer Reviews

“Combining modern intrigue and ancient magic, this second volume in what continues to be an inspired series does not disappoint. Jax is an endearing mix of heroic and awkward as he struggles with his new identity. An exciting blend of Arthurian legend and organized crime.” (Kirkus (on The Inquisitor’s Mark))

“Blending Arthurian legend with action-packed adventure, the second in the Eighth Day series answers some questions but leaves plenty dangling for the next book.” (ALA Booklist (on The Inquisitor’s Mark))

“The concept and the characters are strong, and should continue to entertain its audience who will now eagerly await book three.” (School Library Journal (on The Inquisitor’s Mark))

“Ancient magic pairs nicely with modern intrigue. Complicated alliances and ruthless villains keep the pages turning. A promising start to a new trilogy.” (Kirkus (on The Eighth Day))

“Fascinating” | Melds Arthurian legend into present day. Fast paced and exciting.” (School Library Journal (on The Eighth Day))

“[A] fast-paced, magical adventure. An unparalleled mix of evil villains, humor, and background that set this up for a likeable trilogy to be recommended for fans of Percy Jackson and Harry Potter. Absolutely necessary for middle grades.” (Voice of Youth Advocates (VOYA) (on The Eighth Day))

“Suspense, stakes, and action. Enormously satisfying.” (The Nerdy Book Club blog (on The Eighth Day))

Dianne K. Salerni attended the University of Delaware, where she earned her bachelor’s degree in elementary education, and then went on to earn a master’s in language arts education at the University of Pennsylvania. She was an elementary school teacher for over twenty years and has also written several books, including *We Hear the Dead* and *The Caged Graves*. *The Inquisitor’s Mark* is the second book in the Eighth Day series. Although Dianne knows there’s not really such a thing as a secret Eighth Day, discovering one would explain all the food that disappears in her house. Until then, she’ll continue to blame her husband, Bob, her two teenage daughters, Gabrielle and Gina, and her dog, Sorcia. Dianne lives in Chester County, Pennsylvania.

And so the adventures continue. An abundance of exposition and backstory got this book off to a bit

of a slow start for me, and I had some difficulty keeping all of the characters straight initially, but the story itself continues to be riveting... and I'm ready for more. Not only does this book... and this series... abound with adventure, intrigue and a smattering of history and humor, but it also reveals something about human nature. Even if those humans DO belong to families with indelible ties to the days of King Arthur, and have magical abilities that boggle the mind. Some are just as plagued with greed, jealousy, and a thirst for power as many mere mortals. Others also embody honor, kindness, and self-sacrifice. Will some of them continue to be trapped in the Eighth Day... or will the Eighth Day cease to exist, and their destructive powers be unleashed on the unsuspecting world? Its fate, and the fate of the world, may depend on a single young girl. Is she capable of making the right decision? Will she? And after the big battle, is this the end of it? For our sake, let's hope not. Let's hope there will be many more books to come in this series. Highly recommended to young readers. And, um, old readers, too. Like me.

This book is the third in a series and they are all fantastic. The characters make you love them... I'm personally a fan of Tegan Donovan and they're action-packed to boot. Can't recommend this series enough!

This book was great, though I wish there was more. I want more books in this series. It's too good to stop reading.

The third in the Eighth Day series. Things come to a head in this book. The plot is good, the writing excellent.

Better than described.

A great mix of magical lore and emotional character development. Would read again. Large large angelic trex to the public and private sector to the public and private sector to the public and private sector
