Greatest One-Percenter Myths, Mysteries, And Rumors Revealed

Synopsis

Learn the real stories behind legendary events in motorcycle outlaw history. Pretty much everything the world has ever heard about one-percenter motorcycle clubs has been pure, unadulterated bullshit. Take the so-called Hollister riot of 1947 that started it all. LIFE magazine convinced America that what Hunter Thompson called "The Menace" was about to ride into town spewing rage and 30-weight motor oil, and America believed it. So what really happened in Hollister? Greatest One-Percenter Myths, Mysteries, and Rumors Revealed divulges the truth about that incident and many more legendary events, including Charles Manson's desire for a biker army, what really happened to the Easy Rider bikes, and an examination of the mystery of the Waco shootings. The truth will be revealed, but only if you crack the spine on this book and read the real story. Topics covered in this book include the following: Lost Lore of the Laughlin River Run, The Straight Satans and Charles Manson, Inside the Heads of the Infiltrators, The Growth of the Three-Piece Patch in Red China, The Mystery of the Easy Rider Bikes, Blunders Down Under, Women in the Wild: Mamas, Sheep, Ol' Ladies, and Lies, Purple Wings: Codes, Secrets, and Anti-Everything Acronyms, The Holiness of Hollister, the Sins of the Scribes, The Strange Rise and Fall of Japan's Bosozoku, Putin's Angels: Throwing the Separation of MC and State to the Wolves, Who Really Hatched Easy Rider? Confessions of Murder on National Television, "Can You Guys Ride?": Giving the Cast of Sons of Anarchy Their Keys, Waco: The Biggest Mystery of All

Customer Reviews

All the information in this book comes from OTHER BOOKS----along with lots of opinion and pompous pontificating...and yet the author is too afraid to even mention the names of the major clubs no matter how obvious it is who he is talking about. Absolutely NO big secrets revealed....

Bill Hays is not known for his Motorcycle Fiction. Quite the opposite. Bill Hayes has the reputation of being a historian of the biker culture. If you need to know something, ask a historian. TheyÃ¢ÂÂll not only tell you the history, theyÃ¢ÂÂll show you the pictures! Bill is a historian for our culture and as is our culture, he does not mince words. If youÃ¢ÂÂre a fan of Mr. Hayes, youÃ¢ÂÂll recognize his style. If youÃ¢ÂÂre not, get ready cause Bill talks to and answers himself. Yup, he talks to himself, and, it will make you react; good, bad or ugly, heÃ¢ÂÂll make you react. Bill talks to the reader. HeÃ¢ÂÂll talk to you first person! And, while heÃ¢ÂÂs got you smiling and reading, heÃ¢ÂÂll give you the truth; Ã¢ÂÂOh and by the way hereÃ¢ÂÂs that fact you asked about.Ã¢ÂÂ Bill will cover world politics in relationship to the biker culture and give his thoughts on the subject. We think youÃ¢ÂÂll react appropriately. If Bill suggests we pay attention to something you might be wise to at least pay attention. Our history with Bill tells us he is a man with reservoirs of knowledge locked away in that mind of his and he cares. He cares if someone needs help, and he cares if our history isnÃ¢ÂÂt being written down. Bill always gives us his predictions on the future. He looks back and remembers habits; habits became reaction, reaction became history. WeÃ¢ÂÂve always found BillÃ¢ÂÂs thoughts helpful or at least something to think about. Get ready cause here comes Bill and HeÃ¢ÂÂs got an Attitude!

Great Book!!!!

This book is a rehash of older stories. Kind of slow moving, nothing new here. I would not recommend this book.

Great book. As a lifelong biker I really enjoyed it. It was right on the money about a lot of thing that have gone down over years

Small print but as advertised
