“Young children adore pretending to be animals, and Tillman’s (The Crown on Your Head) insight into the wish to turn into another creature powers this book. The narrator, a handsome woman whose red clothing adds a spot of contrasting color to each spread, claims that infallible radar allows her to identify the child she loves no matter what animal form the child decides to adopt. ‘If early one morning, you put on your socks/ and declare, “For today, I’m a little red fox!”/ I’d

say "My, my... that is quite a disguise!" / But I'd know it was you by the gleam in your eyes.' Each verse subtly affirms an aspect of the child's appearance ('your grin'; 'your clever tiptoes'), and Tillman's silky, digitally painted spreads show the woman interacting in joyful and inventive ways with each animal: crouched in a field with a baby pig, ice skating with bear cubs, and dancing with blue-footed boobies. Even kids who draw back from syrupy love language will enjoy the conceit that nothing can fool a mother.  Publishers Weekly

Love this author and the artwork! For Christmas we bought a book by Tillman called "On the Night you were Born"....and both my husband and I cried reading it to our daughters. This one brought tears to Momma's eyes yet again and even got misty eyes from Daddy....which is huge as the man never cries or shows much emotion. I will choose her books every time.

I love Nancy Tillman's books. I have since added several of her books to my daughter's book collection. If you are looking for a great little baby shower gift I would suggest adding a couple of her books.

Wonderful addition to a child's library. Content is excellent and illustrations are beautiful. I love how this book inspires imagination and creativity. This is an endearing book that pays tribute to your very special little one and magnificent animals.

I'm a Nancy Tillman fan, and I like this book. It is probably a shade less good than *On the Night You Were Born* and *It's Time to Sleep, My Love*, but it still has the trademark fabulous illustrations and soothing, rhyming text featuring animals and the message that "you are loved". I will note that my 3 year old sometimes gets bored part-way through this book, which to me illustrates that it is not quite as captivating as "Born" or "It's Time to Sleep". That is why I only gave it 4 stars. But it is nevertheless a lovely book and loving without being sappy. I do not regret buying it.

Her artwork is beautiful and the pictures are just captivating and soothing. Fans of *The Runaway Bunny* will love this book as it has a similar feel to it.

Bought three Nancy Tillman books for my sister after her baby was born. They're the best and will bring any mother to a bumbling pile of tears. :)

This is one of my favorites from Nancy Tillman. My 2 year old just loves her books, including this one! He wants to read them everyday, and so do I because they're so beautiful. The rhyming text and magical illustrations engaging them in tales of lore while inadvertently telling your child how much you adore them make her books a treasure for any parent. Absolutely love the animal illustrations. My favorite thing about her books, parent and child can enjoy them equally. Anything that inspires such precious moments of connection with your little ones is priceless! I have not had the same experience with other children's books which I did find to be sappy. Not these! Definitely not sappy.

A great book letting children know they are loved & they are never forgotten. Good construction. Great illustration.
