The Dragon's Treasure: A Seven Kingdoms Tale 1 (The Seven Kingdoms)

Synopsis

Internationally acclaimed, New York Times and USA TODAY Bestselling author of Science Fiction, Urban Fantasy, and Paranormal Romance brings another action, adventure, and suspense-filled story to transport readers out of this world. Choose your treasure carefully, thief! Drago, King of the Isle of Dragons, is the last of the magnificent dragons of the Seven Kingdoms. Bitter and alone, he abandons the emptiness of his realm and retreats to the caverns beneath the palace. In the form of his dragon, he remains hidden from the world, protecting the Dragon's Heart, the last legacy of his people until he is disturbed by a most unlikely thief. Carly Tate's trip to Yachats State Park takes an unexpected turn when she is caught in a sudden storm. Seeking shelter, she stumbles through a magical doorway into a cavern filled with treasure! Yet, as incredible as the piles of glittering gold and jewels are, her gaze is transfixed by the slumbering form of a magnificent dragon. Carly's appearance begins a series of events that will not only change Drago's life, but will affect all of the Seven Kingdoms. Can a centuries old dragon protect his most valuable treasure, or will the evil that destroyed his race take Carly from him as well?

Took a gamble on this one & it turned out good. I like both the characters and enjoyed the story line. The ending was not totally expected. I knew SE would have to do something, couldn't just wrap up all the strings, after all this is #1. Now I've just got to be patient, not one of my finer talents, but the waits not going to be a long one. Think the next book, before Seven Kingdom #2, will be River's Run" in the Lords of Kassia series. ~P~

I loved the dragons treasure. Carley and Drago were great together. The story building was good and you simply want more. I can't wait to read the next book . This is going to be an amazing series. I'm just wondering Mrs Smith will the sea witch be saved by love will she get a HEA inquiring minds want to know. Highly recommend this book. You will not be disappointed

Another good book by this author. I enjoyed this book and look forward to the next one. Glad that Jenny is gonna get her own.

I red this when it was a short story but I have to say that making it a full novel was even better and it expanded into this world that the short version could not. It had the humour and bit of sadness that all of S. E. Smith has in all her stories. It is always a joy to be pulled into another world she revealed to her readers with her magnificent imagination.

Wonderful story that made me laugh a lot and made me cry. Intriguing story that carried through to the end. Interesting characters that I really can't wait to read their stories. I highly recommend this book. I am breathlessly awaiting the next in this series.

Once again SE Smith let's us into that wonderful creative mind of hers. I love when she does that! This book had me from beginning to end. The love shared between Drago and Carly was incredible! Grab this one and let SE Smith take you on an adventure!

A new world to call in love with and new characters to go on wild Adventures with. A clumsy earthling and a magical dragon find love together amongst the despair of a sleeping kingdom. Who will win

good or evil ? Looking forward to meeting Jenny.

This is a wonderful, magical new world. The love story between Drago and Carly is lovely. Giants, pirates, sea folk, elementals and magic folk, oh my! I cannot wait for more of the story of the dragons and the beings from the other kingdoms. Well done, as always.
