They are very informative. I have learned a lot. Simple to understand.

GREAT SET OF ADVICE

Basic stuff, which is good and what i wanted, i thought, but sometimes too basic and simple. Worth perusing for someone starting from ground zero.

Excellent source of information

The books are written in easy-to-understand English even for the people who have English as a second language. I like the books in a compact size.

Great book set & very helpful, shipment was very fast & well packaged.aaaaaaa
