My Jackson Hole Favorites In The Summer

Synopsis

I have a passion for Jackson Hole that I hope to share with you. This thirty-five page eBook is not your typical guide book. Instead, it is an organized listing of personal favorites from a "local". I have only provided my top choices, based strictly on personal experience, in order to enhance your "Hole" experience. While some of my suggestions can be found in guide books, many are not. This is what I wish I would have had on my first visit to the valley. Included are:

- Hiking suggestions classified by difficulty with trail descriptions and directions
- Fun activities, such as boating, whitewater rafting and the rodeo, with descriptions
- Recommendations for breakfast, lunch and dinner
- Packing, hiking preparation and travel tips
- Links to other web sites of value

Why am I qualified to write this? I purchased a home in Teton Village in 2003. Since then I have spent more than fifty days a year vacationing and working in Jackson Hole – more than 500 days in all. Perhaps I am not yet a pure "local" despite my best efforts to masquerade behind that label. However, I have been able to focus every day on enjoying the surroundings when not working. As a result, I have explored the valley as much or more than many that are residents. Your memorable visit is my goal. Only by you achieving it will I be satisfied.
