Growing & Hunting Quality Bucks: A Hands-On Approach To Better Land And Deer Management

Synopsis

Growing & Hunting Quality Bucks provides a detailed plan that will help deer managers produce mature bucks and keep them on their land. In this hands-on guide, which can be used throughout North America, deer managers learn what to plant and when to plant it, how to use surveillance cameras smartly and effectively, how to put your plan into action on a month-by-month basis, where to strategically place stands on your land, the critical importance of how to plan and build productive waterholes, and much more. The author shares his own experiences as a renowned whitetail authority and the owner and operator of Bluff Country Outfitters, with month-by-month plans for careful land management. More than 175 photos included in this book show bucks throughout the year and illustrate land administration practices. After reading Growing & Hunting Quality Bucks, you'll have all the tools you need to cultivate world-class whitetails. This is a Bowhunting Preservation Alliance (BPA) book, a non-profit foundation created by the Archery Trade Association. Proceeds from every sale of this book will be used to build archery ranges, provide archery and bowhunting education programs, and support urban bowhunting participation across the United States. Customer Reviews

Tom Indrebo oversees five thousand acres of unfenced land at his operation, Bluff Country Outfitters, in Buffalo County, Wisconsin. An experienced land and deer manager, he is regarded as one of the nation's authorities on whitetail deer. His passion and knowledge help him to produce some of America's largest whitetails on a consistent basis.

Great book not only on managing property for deer, but for wildlife management in general. Many aspect of the topics covered in this book could be applied to focus on any animal group that is of interest.

Best read on farm management to date. Would highly recommended to all landowners. Provides a fantastic perspective on quality deer management.

Very good book if you are interested in managing the deer on your property. This covers free range management and is very interesting.

Good book but old pics, book needs to be updated.

Great book. He tells you like it is. If you pay attention to what he says you will have success.

Great all around info

Great book!

Great reading, well written and thought-provoking. Some very interesting observations from someone who has been among the deer for many years.
