Glenn Randall impressions of the Rocky Mountains! Very beautiful pictures!

Rocky Mountain is difficult to capture on film because the beauty is beyond my simple digital. Every time I visit the scenery changes colors with the season and time of day. The author manages to capture the essence of the park in his photos. This is a good book to collect.

I used to live close to Rocky Mtn National Park and I hiked, camped, fished, backpacked and skied there almost weekly for 20 years. This book takes me back to those happy times and makes me feel connected again to an area that means a lot to me. Thanks!

Present for my wife. We love it. It makes us want to go back and stay forever and ever and ever.
