Hunting Musky With A Fly

Synopsis

The most complete fly fishing guide to musky to date Musky, short for muskellunge, have been called the fish of 10,000 casts and are one of the most challenging, yet rewarding, fish to catch on a fly. Musky have a large range--from northern Michigan, northern Wisconsin, and northern Minnesota through the Great Lakes region, north into Canada, throughout most of the St. Lawrence River drainage and northward throughout the upper Mississippi valley, extending as far south as Chattanooga in the Tennessee River valley. This much-anticipated book is the most complete guide to fly fishing for musky to date and includes fly patterns, wisdom, and local techniques from top guides around the country: Blane Chocklett (Virginia); Brad Bohen (Wisconsin); Chris Willen (Tennessee), and more.

Customer Reviews

When Rick Kustich first published his Fly Fisherman article “Hunting the Hunter” in 2010, fly fishing for muskies was an arcane pursuit. Six years later there have been dozens of magazine articles, fly-fishing films, and even fly rods, lines, and leaders created specifically for musky fishing. Kustich continues to lead this rapidly expanding and evolving sport with a book compiling the knowledge gained from over 4,000 hours and 25 years of musky fishing. (Ross Purnell, Editor of Fly Fisherman magazine) Rick Kustich is uniquely qualified as both an accomplished, professional fly angler and prolific, professional angling writer to take on the subject of musky fly fishing. Rick gets this game--I’ve fished with him in both my home waters and his and can testify firsthand that he’s not just a pen who pulls on waders occasionally.

Rick is one savvy stickÃ¢â¬âhe is able to communicate his vast experience through a polished, journalistic writing style that handles the difficult subject effectively. We’ve waited too long for a meaty follow-up to the Tomes classic Muskie on the Fly and I’m happy to say that Mr. Kustich has delivered a real Porterhouse! Grab a good knife and fork and dig into his seasoned insight and straightforward advice. (Brad Bohen, owner of Musky Country Outfitters and a main character in the fly fishing film Zero 2 Hero)

Rick Kustich is a fly fishing author, photographer, and instructor. In January 2013 he released Advanced Fly Fishing for Great Lakes Steelhead (978-0-8117-0792-3), his fifth fly fishing title. Rick’s work has appeared in numerous national and regional publications. He has also spent time as a guide, fly shop owner, and fly fishing book publisher.

Very good book with great photos. Informative and I really like the fly patterns and recipes section.

Good book, it was a gift for a friend.

Clear text, nice photos and good selection of current fly patterns. Q&A with guides provides good insights.

It’s a well rounded book with great tips and gear guides. It’s great book on what is kind of a narrow subject currently.
