# The Art Of Sexual Magic: Cultivating Sexual Energy To Transform Your Life

## Synopsis

When two humans come together as lovers, they mirror the divine union - the most sacred act of creation - and connect directly with the energy of all life. Thus the energy of your sexuality is the source of the greatest "magic" of all, namely the creation of life itself. In *The Art of Sexual Magic*, you will discover the sacred roots of sexuality not only as an erotic art but as a meditative tradition. For many years author Margot Anand has researched the teachings and advanced practices of sacred sexuality around the world. Through her best-selling book *The Art of Sexual Ecstasy*, thousands of couples have changed their love lives forever through the practices of tantra. Based on ancient Hindu-Buddhist scriptures, tantra literally means "weaving". As the threads of life and love cross one another, tantra teaches, they join in cosmic union. Within this absolute connection with the universe, your most profound yearnings become possible. This is sexual magic. Using erotic rituals and specific meditations, tantric lovers can alter their consciousness and channel the energy of orgasm for healing, ecstasy, even enlightenment. Trained at the Sorbonne as a psychologist, Margot Anand combines four powerful elements in this audio learning series: processes for sexual healing; tantra for cosmic union and bliss; clinical sexology for expanding orgasm; and magic visioning to manifest transformation. Safely, creatively, you learn to explore other dimensions of your sex life and gain new ways to bridge sexual union with a greater source of wisdom and clarity. With its wealth of rituals and visualizations developed specifically for Western students and lovers, *The Art of Sexual Magic* is a life-changing work that is sure to enliven your intimate hours.
