Twice Driven

Synopsis

Nothing's going to stop us from making her ours. Abby When I left my ex, I had nothing, but I knew I could never go back to the man who'd hit me. Worse though, he's in the mob, and I had nowhere to go. But lost, out of gas, and alone on the side of the road, help came in the form of the last two men I'd ever expect it from. Rough, dark, and dangerous attractive, the two road-hardened bikers might be everything that scares me, and yet everything I need. The only problem is that I can't decide between them but I might not need to. Jackson / Connor We've been outlaws since the day we were born, and we'll be outlaws until we die. For the right price, we'll do any dirty job. Except maybe this one. Abby's ex wants us to hunt her down and kill her - but when we saw the sinfully irresistible, mouth-watering woman on the side of the road, we only had one thing on our minds. We had take her, possess her, and make her ours. Hope she doesn't mind that we like to share. "Twice Driven" is a quick read involving hot, steamy insta-love with two utterly obsessed alpha heroes. If you love over-the-top, slightly unrealistic, and wildly dirty stories, this one's for you! HEA mfm with NO CHEATING!

Information that should have been provided in the detail: 'Driven' is only a third of this download. The other two-thirds are 'Legal: A first Time Novel'. Let me start off by saying that I did enjoy the plot lines and the general story of both works. Some dialog of the women during the heat of the moment is odd, but I was in the mood for a quick read, insta-love kind of book and that is what this provides. This is my first Madison Faye purchase. I am not a grammar police reader, especially for the quickie, self published type authors. I usually only take issue if I am unable to follow who is speaking. To say that Ms. Faye needs an editor is a huge understatement. The mistakes in this book (both stories) are EGREGIOUS! I found myself going from thinking 'what a shame' to angry with this author because it is clear she didn't even take the time to proofread her work. 50% of the (many) errors she should have been able to eliminate by herself. There are double words, wrong pronouns all over the place, sentences that feel like she was editing in her mind while she was writing so there are two tenses going on, and just generally wrong things. Ms. Faye - Your stories have potential, but please please please proofread your work! Additionally ask a couple of friends to proofread and you'll be good to go.

I have read MANY of Faye's stories and I loved this story line. The reason I gave only 3 stars was because of the incredibly POOR EDITING done on her books. It was a real turn off that so many words are wrong, grammar incorrect and poorly written. She should fire her editor and go elsewhere because she does have talent. NOW LETS GET TO THE STORY. We have an abused woman who goes on the run, breaks down and is at the mercy of two outlaw bikers. They are hiding a secret. They know exactly who she is and who she's running from. Will they turn her over to the dirtbag who beat her up, or keep her for themselves? If you are looking for a hot manage that's m/f never m/m and want it served up with bikers who more than fitting to every hot fantasy a red blooded woman has ever had about a biker or in this case two then buy the book turn the A/C on and delve between the pages. It's scorching hot sex with much more than a one night stand. It's a HEA with two men loving one woman just as much as she loves her men.

Actually really enjoyed this book. Loved the characters Abby, Jackson, and Connor. Abby had left her ex who is in the mob with nothing to get away from him. Jackson and Connor share everything and is willing to do any job for the right price. So her ex hired Jackson and Connor to kill her. They agreed until they saw her and decided she was theirs. They will do anything to protect her. Was a really great story and I am looking forward to reading more by this author.

Hot sexy book, love Madison FayeS works no matter how taboo they are some of the most taboo are the hottest steamboat for me.

Another great one!!! As usual... NOT LONG ENOUGH (the book I mean) I am so so hooked on this authors books! Keep them coming ;)

The book is more than 600 pages - at least half of which should have been edited out. Much of what I read was just the author repeating herself. I just couldn't connect with anything in this book and put it down after a few chapters.

This is a pretty OK story, but all the grammar and editing errors are sooo distracting. It was obviously written with a speech to text program and then no proofread. Disappointing.

I love Older/younger romance, as well as mÃƒÂ©nage, and this book has it in spades. You get three bonus stories with the book. It would have gotten four or even five stars, but there are a of of errors in the text.
