Customer Reviews

Bruno Rodi, Lea Ciambelli and Catherine Massey are all internationally known mosaic artists who between them have 30 years of knowledge and experience of the craft.

As a newcomer to mosaics, I was looking for something basic, with a lot of inspiration. This book delivers! Descriptions of tools, materials and other supplies is very clear and complete. The projects are laid out step-by-step and clearly described.

I was looking for books that will help start several projects for my patio and this is it! Great ideas and

easy to follow instructions! Just love it!!

This book was fun to explore and did a nice job of providing information for novice and more advanced mosaicists. The projects provided inspiration for me and I believe they would be helpful to other mosaic artists.

I love this book for its very creative ideas and projects. The materials and techniques are discussed clearly and simply, and the projects are stylish and inspired, with beautiful patterns and colors. I would consider it an "intermediate" level manual, a wonderful addition to any mosaic reference library.

The book is very good but I was looking more for patterns to use for my mosaics.

a gift for my daughter. she loved it.
