Ã Ã Ã Ã  I received my very first Gooseberry Patch cookbook as a wedding gift 13 years ago. It was Farmhouse Christmas. This started a serious Gooseberry Patch addiction! I now have almost every single comb-bound book and many of the other collections. My favorite thing about the cookbooks is that every time I open one, it reminds me of home. My Mom would always have something yummy baking or cooking, and she taught me at a very young age how to do things in the kitchen. My Mom passed away 5 years ago when I was just 30 years old, and every time I read one of your cookbooks, it takes me back to her and home. I thank you for that! Ã Ã Brittney J Green Frederick, CO Ã Ã Ã Ã Ã Ã Ã  I always give Gooseberry Patch cookbooks to newlyweds and new mothers! They are the best cookbooks to help those who are just learning to cook and those with limited time. Gooseberry Patch always has the the most delicious recipes. You know that they're all family favorites and have been made numerous times, so they won't fail. Gooseberry Patch cookbooks give new cooks the confidence they need when just starting out! Ã Ã Amy Johnson Huntington Beach, CA Ã Ã Ã Ã Ã Ã  I look forward to my fall quiet time at home with a cup of hot apple cider and a doughnut or two...when I can sit and relax. I always read one of the fall or holiday Gooseberry Patch books that I pluck from the overflowing bookcase...I have collected over many years! These books are my treasures, and I never tire of reading them over and over again. Ã Ã Sherry Svoboda Abington, MD Ã Ã Ã Ã Ã Ã  Thank you for publishing down-to-earth, good, easy, family-oriented recipes. I have tons of cookbooks, but they all call for outlandish ingredients...but yours, wow! Finally some recipes I have ingredients for. I am a stay-at-home mother of 5 children, ages 9,7,5,3 and 1 years old, and Gooseberry Patch cookbooks are life-savers. Thank you! Ã Ã Tammy Barlow Hildale, UT

I like this cookbook very much. It has excellent recipes to serve to a bunch of football fans as well as to serve to family. I ordered 2 by mistake so I gave the extra copy to a young granddaughter who was looking for recipes to serve to her friends. She was thrilled with it. I love, love, love Gooseberry Patch cookbooks. They fit my preference very well. Thanks for bringing so many of them to me at great prices. delemma

Happy with purchase

Another exceptional book from Gooseberry patch. This book is as much fun to read as it is to use. All recipes are clearly written and directions are easy to follow. This would make a great gift for sports fans and foodies!

These are the cook books to go to on game days. They are packed full of great recipes for those quick finger foods you want while watching your favorite team play.

Bought this book to be in a tailgating gift basket for our school, along with a covered cake pan. Had a good look at the book and copied a couple recipes before taking it to the school.
