Travel With Dogs (Lonely Planet)

Synopsis

Lonely Planet: The world's leading travel guide publisher Lonely Planet's Travel with Dogs is packed full of advice and tips on travelling the world with your dog. The nine chapters cover the essentials of taking your dog on vacation or holiday by car, train, boat or plane, and how to find somewhere suitable to stay. The handy pocket-sized book starts with giving the reasons why readers will enjoy taking their dog on their travels and how to decide what your dog is capable of. The golden rules of dog travel are listed. Next Lonely Planet provides explanations of what type of vaccinations, health certificates and documents are needed for travel around the Americas, Europe and Australia with a dog. Then different modes of transport are discussed: How to transport your dog safely and comfortably in your car - what to pack, how frequently to take breaks, whether to use a harness or a crate How to go camping or RVing on a road trip with your dog (including advice for hiking with your dog) How to take your dog on a plane - what airlines are the most pet-friendly, whether your dog can travel in the cabin as carry-on luggage or in the hold, using a crate, clearing security And finally, there is information on finding dog-friendly places to stay: hotels, motels, B&Bs. Additionally, a listings section features international travel resources for dog-owners plus other sources of information. This book will help dog owners plan and prepare for travel with their furry best friends, and inspire trips further afield. About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, as well as an award-winning website, a suite of mobile and digital travel products, and a dedicated traveller community. Lonely Planet's mission is to enable curious travellers to experience the world and to truly get to the heart of the places they find themselves in. TripAdvisor Travelers' Choice Awards 2012, 2013, 2014, and 2015 winner in Favorite Travel Guide category 'Lonely Planet guides are, quite simply, like no other.' - New York Times 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia)

Customer Reviews

This book had very little substance. So poor that I question why Lonely Planet published it, normally their books are full of useful information. Nearly everything in the book can be found by visiting pertinent websites by doing a search on "traveling with dogs". In addition, it had the look and feel of a children's book, the numerous illustrations were just meaningless filler. The concept is sorely needed, this book missed the mark.

This book has a lot of helpful tips and resources. I'm looking forward my upcoming road trip with my pup!

Basic info on traveling with your dog. I saw nothing that gave me any worries or bright ideas. I was hoping for specifics of places.
