## Customer Reviews

Gr 3-7 • From Bruce Wayne's childhood tumble down a bat cave and Clark Kent's Smallville upbringing to the amazing escapades of Batman and Superman, these "biographies" offer a great introduction to these superheroes's stories. Written like nonfiction biographies, complete with illustrated newspaper headlines, "photos", timelines, and glossaries, these books are sure to appeal to superhero fans who can't get enough of their favorites or children whose parents want to get them started on fandom.

My daughter has enjoyed the super hero backstories

GREAT

My little boy loved it.

My eight year old daughter is obsessed with DC Comics. These back story books on Batman, Superman and Wonderwoman are fantastic. They are a 5.8 reading level and AR test eligible.

Great Kids introduction to the characters and worlds of DC Comics.

My 7 year old son read this book. He thought it was good. I think the reading level is on par, he knows most of the words, but struggled occasionally, which I think is good for him to get more practice. As far as the story, it was a good background story.
