Package Dimensions: 8.4 x 6.6 x 1.2 inches

Shipping Weight: 1.6 pounds

Average Customer Review: 5.0 out of 5 stars 3 customer reviews

Best Sellers Rank: #597,858 in Books (See Top 100 in Books) #45 in [Books > Arts & Photography > Photography & Video > Equipment, Techniques & Reference > Color](#) #3513 in [Books > Arts & Photography > Individual Artists](#)

Customer Reviews

The Complete Photographer

Although written before the modern digital age is still relevant for today. A must read for budding photographers. Really changed how I took pictures and still use the principals in this book.

The age shows, but not the wear. For a book printed decades ago it held up considerably. Only the dust jacket had a small tear. Very satisfied.

I bought my copy about 1965, and I still consider it the bible. Clear, concise, exceptionally well-written, it covers just about every aspect of photography remarkably well. I just gave my copy to my granddaughter, who is just picking up the camera, I gave her a whole stack of books, including a couple by Ansel Adams, but I told her to read Feininger's book first. And now I'm already feeling an empty spot, such that I have been thinking of buying another copy!
