Cute story and helps with counting. He doesn't always know which one is the stripey kitten versus the roly-poly kittens, but he loves to read along.

Bought this as a shower gift since I read it to my daughter 46 years ago when she was a baby! It is just as precious as ever!

Not a favorite that will be read until they literally memorize it, but good enough to read and enjoy

with the grandkids

What a precious little book! It came SUPER fast and in excellent condition. It's absolutely a great classic to add to your child's library.

Worth the price. Nice little golden book. Enjoyed reading this book. Good Deal.

The condition of the book is great! No sign that the book has ever been opened.

Child who received was thrilled. Loves to read. Great gift for any small child.

I grew up on the golden books and I had to buy it for my grandbaby. Thank you.
