A book every gator with kids should own.

I bought this for my Gator fan in my life. He loved it. It is an easy read, the pictures are very nice, and overall pretty awesome.

"T'was the Night Before Kickoff" is a great Gator book for Gators of all ages. It is destined to become a classic children's book within the Gator Nation. It has already become a nightly ritual at my house when my little Gator will not go to sleep until I read the book to her. I don't mind because I like the book to. It is cleverly written with a very smooth flowing phraseology. But, it is the illustrations

by well-known artist Gene Hotaling that set this book apart from the vast majority of other children's books. I cannot recommend this book high enough to college football fans of any school. Please visit the web-site of the author, Mark Damohn, and you will see so many fascinating Gator goodies. The site is [...] It has this book, coloring/activity books, Gator Sports Calendars, Gator Greeting Cards, Gator Post Cards, Gator Posters. I have purchased most of these products for myself and for birthday and Christmas gifts. These Gator goodies are so well received. Buy this book. It will be one of the best children's books you can have in your child's library. GO GATORS !!!! and go Dr.D !!!

I just wanted to share that this book is an excellent choice for a Christmas gift to families with gator fans and non fans. The art work is brilliant and the text has lots of innuendos for Dad to enjoy. Really! The book has many layers and will be enjoyed by young gator fans and their Dads and Moms too. Enjoy!!
