Great as always

I've been buying this guidebook yearly for the past 20+ years. I like the way the info is presented. I mostly use it for recording my dreams.

I order several of these every year so I can share with friends and family. A good way to keep track of what is happening in the heavens

I buy this guide every year, and have never had a complaint. The information is helpful, concise and easy to follow.

Ready for 2018!!!
