Miss Kobayashi's Dragon Maid Vol. 1

Synopsis

Miss Kobayashi's Dragon Maid is a delightful, ongoing comedy manga series about a young lady who, after saving a dragon's life, finds herself the object of its indebtedness and undying affection. Miss Kobayashi is your average office worker who lives alone in her small apartment until a young and adorable dragon girl named Tooru appears before her. Upon saving Tooru's life, the fiesty dragon will do anything to pay off her debt of gratitude, including insisting that she move in with Miss Kobayashi and serve her in any way she does or doesn't desire. Now Miss Kobayashi finds herself with a new, imposing roommate, who is doing her best to help out around the home. But when you're a dragon, nothing is ever simple. Kobayashi's normal life just went off the deep end.

Coolkyoushinja is best known as the author and artist of Miss Kobayashi's Dragon Maid.

I fell in love with the show, and in my need to have more went to the Manga. In terms of story flow, its a bit janky. Things jump around, and the story can be a bit dry at first. Regardless, all the characters are great, the humor is spot on for the situation, and its a cute quasi love story with dragons wrapped in a slice of life back drop. One of my favorites!

A very cute manga, if you like comedy and silly dragons!

So I actually came across the anime first and fell in love with the characters. When I came upon the manga I had to get it, in fact I got all 3 volumes available digitally without even reading the first one. It is cute and funny with a bit of a dark side. If you like Fruits Basket or even Kamisama Kiss you will enjoy this series.

wow this is some what different from the anime, just the way I like it. The art looks hurried but the story is good.

Bought this because of the anime cartoon, this series I bought and get into.. And this story is super silly, heart warming! And it's a very good read!! I hope there's more to come because it's well written and I love Tohru    

Love the story. Wish it was a larger book size.

yee anime was good and i was like ok surre

Fun
