The Masnavi I Manavi Of Rumi Complete 6 Books

Synopsis

Also known as THE SPIRITUAL COUPLETS OF MAULANA JALALU-'D-DIN MUHAMMAD RUMI with active Table of Contents for easy Kindle navigation. The Masnavi, Masnavi-I Ma'navi or Mesnevi (Turkish), also written Mathnawi, Ma'navi, or Mathnavi, is an extensive poem written in Persian by Jalal al-Din Muhammad Rumi, the celebrated Persian Sufi saint and poet. It is one of the best known and most influential works of both Sufism and Persian literature. The Masnavi is a series of six books of poetry that amount to about 25,000 verses or 50,000 lines. It is a spiritual writing that teaches Sufis how to reach their goal of being in true love with God. The title Masnavi-I Ma'navi means "Rhyming Couplets of Profound Spiritual Meaning." Rumi himself referred to the Masnavi as "the roots of the roots of the roots of the (Islamic) Religion." The Masnavi is a poetic collection of rambling anecdotes and stories derived from the Quran, hadith sources, and everyday tales. Stories are told to illustrate a point and each moral is discussed in detail. It incorporates a variety of Islamic wisdom but primarily focuses on emphasizing inward personal Sufi interpretation. This work by Rumi is referred to as a "sober" Sufi text. It reasonably presents the various dimensions of Sufi spiritual life and advises disciples on their spiritual paths. "More generally, it is aimed at anyone who has time to sit down and ponder the meaning of life and existence." The Masnavi was a Sufi masterpiece started during the final years of Rumi's life. He began dictating the first book around the age of 54 around the year 1258 and continued composing verses until his death in 1273. The sixth and final book would remain incomplete. Each book consists of about 4,000 verses and contains its own prose introduction and prologue. Considering there are no epilogues, one must read the proceeding volumes to fully benefit from the wisdom presented by Rumi. Some scholars suggest that in addition to the incomplete work of Book 6, there might be a seventh volume. The six books of the Masnavi can be divided into three groups of two because each pair is linked by a common theme: Books 1 and 2: They "are principally concerned with the nafs, the lower carnal self, and its self-deception and evil tendencies." Books 3 and 4: These books share the principal themes of Reason and Knowledge. These two themes are personified by Rumi in the Biblical and Quranic figure of the Prophet Moses. Books 5 and 6: These last two books are joined by the universal ideal that man must deny his physical earthly existence to understand God's existence. About the Publisher Orange Sky Project is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, Esoteric and Mythology in Kindle format. Orange Sky Project is about sharing information in Kindle format, not about making money. All books are priced at lowest prices.

Customer Reviews

Simply great, spiritually educative. May Allah have mercy on Rumi. A good intellectual and for all times. AmenAdam Ahmed

great read

I have read book one and book two of The Masnavi by Oxford World Classics and found the poem format beautiful. I am very dissapointed that these six books have been written in a different format - I would have preferred them to be in the same format as the first two books. I wonder if Oxford World Classics will be bringing out books three to six and if these exact books will be available in Kindle format??

Amazing for those readers who are into philosophical "Stuff" with a tiny thirst for history.

Complete and excellent. A valuable classic for anyone's collection.

Great for my class on Rumi!

Not everyone's poetry but I am very fond of Rumi's poetry. It's also an incite into how far Persian poetry went and how well it was accepted

Nice!
