Synopsis

An apocalyptic story set in the furthest reaches of Minecraftia, in a stark desert landscape where life is broken, and almost everyone is crazed fighting for the necessities of survival. Within the Minecraft world exist a Hero and a Villain at opposite ends of the spectrum. I love great stories and Herobrine Vs The Night Guard Hero is such a story! I like how Ender King brings out the sorrows of Steve. I am touched by the fact that Steve has no one to share his sorrows with! I have read this story over and over, I just can't resist reading it!

I imagined what Steve went through after the attack that killed his whole family i felt like crying. This

book shows the fight between good and evil. Steve the main character stands for good. I recommend this book to all minecraft fans.

Amazing story and plot. You will immediately feel for Steve's (good guy) loss and develop love and respect for his efforts to save his villagers, remaining story revolves around how he identifies the destroyer (evil guy) and fights him. Story is well paced and has very strong characters and the Narration is very exciting.

I highly recommend this. you need to carve out sometime to read the apocalyptic stand off between good and evil. Steve; The Night Guard Hero after peace having suffered a despicable loss during the fight for survival in a life broken stark dessert in Minecraftia and Herobrine; the master of destruction. Ender king has written a rich amazing story and The tale kept me hooked till the very end. Savor some time for this and find out who wins.

There are moments when you will feel like you are the victim in the succession of ill-fated events that follow Steve; the captivating moments of truth will make you agree that this one was worth your purchase.
