Terror At Sea: Three Mysteries Aboard A Cruise Ship

Synopsis

Sail the open seas with a murderer onboard. Can you take the heat? **CABIN FEVER** Ready for some rest and relaxation at the end of the school year, seventh grade teacher Autumn Spencer gets on a cruise ship, hoping it'll whisk her away to Paradise so she can clear her mind. Instead, she encounters nosy fellow passengers who won't leave her alone, more drama than she sees in her hormonal students and a couple of attempted murders. No matter what she does to avoid the crazies, she keeps getting thrown right smack dab into the middle of all the action. **DON'T ROCK THE BOAT** Annie Peterson is supposed to be on vacation. . .not in wedding planning mode and certainly not in mystery solving mode. But when she meets a bride-to-be aboard the Navigator of the Seas cruise liner, Annie can't help herself. She's ready, willing and able to help with plans for the big day. And when the bride goes missing just hours before the ceremony, it's Annie to the rescue! Who's responsible for spiriting away the elusive bride? The maid of honor? The emotional mother of the bride? An over-the-top best man? The groom-to-be? A total stranger? Someone's done the deed and it's up to Annie to locate the MIA bride before the ship returns to port. Surely, with the Lord's help, she can solve this mystery. Join Annie on this high seas adventure where everyone on-board is a suspect and no good deed goes unpunished. **EXPOSURE AT SEA** **THE SEAS GROW ROUGH WHEN A CRUISE PHOTOGRAPHER IS TARGETED FOR MURDER.** After a painful breakup, Molly Nicholson accepts a job as a cruise ship photographer. As she is taking photos of passengers arriving to board the ship, she accidentally snaps a picture of a murder. Her dream job turns into a nightmare as she tries to stay alive amidst the beauty of Hawaii. A handsome detective on medical leave volunteers to be her bodyguard until the killer is caught. Can their blooming romance survive murder on the high seas?
