Charles Preston, Crossword Puzzle Editor of USA Today for over a decade, is a distinguished crossword puzzle expert whose puzzles appear in papers across the country, including Newsday, the Baltimore Sun, the Chicago Tribune, and the San Francisco Chronicle. My Grandmother does crossword puzzles all day, every day. She told me the first time I bought this for her years ago that it was one of the best she'd ever had and used it daily. I saw her copy a few weeks back and was so happy to see that she really was using it everyday, as it was practically in tatters. This purchase was a replacement for the original. 100% Satisfied.

Husband likes it a lot. Very helpful.

The dictionary is very lame as far as words . I had a crossword dictionary for many years and it was excellent, finally just fell apart, I will be searching for a replacement soon.

This was just what I expected from USA Today. If you do crossword puzzles, you know there are times when they MUST make up the words. This is a great help.

Use this a lot. Love my USA Today puzzles.

My fault for not looking at the published date - 1994!

Provides entertainment.

This book is a little hard to navigate around in. The layout isn't like regular crossword dictionaries. Not many substitute words or choices for clues. Great price though. I guess I can use it nicely for what I paid.
