Customer Reviews

These are old school and just like my grandmas food. I highly recommend.

I haven't actually tried any of the recipes yet but I was raised on many of these, and the ingredients go along with what I was taught although no cookbook was referenced as a source at the time.

These recipes brought back a lot of memories from my growing-up years. We'd make the cookies at Christmas, the hot dishes like Chicken Paprikash on a cold winter Sunday, and an easy dinner of Potatoes, Cabbage and Kielbasa for dinner on weeknights..

Very, very good! A must buy!!!!

A lot of these are the real deal...even my Slovak friend recognizes some of these, unlike a similar book with, oddly, a similar title,

This cookbook contain Top class delicious and easy recipes. Each recipe is accompanied by a captivating photo of the final dish. Ingredients are easy to follow and easily available in the market. Measurements of the ingredients are precise. Directions for each of the recipe is very easy to follow. From me, I highly recommend this delicious cookbook.

Many of the recipes are super close to my Hungarian grandparents recipes.

Somewhat helpful

Great recipes my grandma used to make. All easy to follow and execute. Tried all of them and very happy.
