Synopsis

Terry buys a naughty toy from a shop but just can't quite figure out how to use it. She needs help, and Amanda, the attractive attendant is ready and willing to assist in every way possible.

****“I guess you're right, I'm going to need some help with this thing,” she said softly.
“I was hoping that you would be back,” Amanda said, taking a hold of her hand and leading her back up the stairs.

Customer Reviews

The storyline was ok. It definitely needed to be longer. I wanted to know more about the main character. I wanted to experience more with her.

Not much to say not as good ad you would think.

Great book
