## Customer Reviews

Best book I've ever bought for my son! He reads this daily, he was 2 with I got it for him, he's now 3, and still to this day..uses this all the time! He loves tractors, farming, equipment, etc. This is perfect! He has learned a lot from it!

My 16 months old son loves to play with it. Not much to read but nice pictures.

Was a great gift for my nephew. He love this book.

If your kid is as obsessed with vehicles as mine is, then this will be a hit. My 2.5 year old likes to read it AND drive it.

My son loves this book.

The book was listed as good condition but it looks like a dog attacked it. Can't even read every page. I would not say that is good condition.

Just bought two of these and my 16 month old son loves these! He has been playing rough with them for the last few hours straight, hopefully they hold up to the abuse.

Great book for my tractor loving little grandson! Love it so far!
